Note 1
The details shown on this preliminary house siting plan (PHSP) represent our best endeavours to interpret and communicate the various housing setback requirements and likely service locations in an easy reference and summarised form. This PHSP has been created with the best intentions of trying to assist prospective buyers and their builders understand the lot. The PHSP does not provide comprehensive details of the standards and contraints associated with siting a house on this lot; prospective buyers and builders should contact the approving authority and make a determination on this issue. Accordingly, the actual permitted house siting may vary from what is indicated here. Additionally, the services are based on plans which may vary once construction is completed.
Note 2
The PHSP is not a statutory disclosure document.
Note 3
No warranty is given that the information contained in the PHSP will remain accurate, complete and current and to the extent permitted by law FRASERS PROPERTY NEW BEITH Pty Ltd (ACN 655 630 381), its related bodies corporate, their officers, employees and agents exclude all liability for any loss that arises as a result of any reliance on the information contained in this document or otherwise in connection with it.
